

# OVERHEAD COMPONENTS

## PRODUCT HIGHLIGHTS

- ▶ Excellent quality
- ▶ High durability
- ▶ Perfect fit with OEM parts

## PRODUCT DESCRIPTION

Poultry processors rely on Hill Parts for quality chain and trolleys that are fully compatible with the OEM equipment. Chain assemblies are available in all the most popular configurations. Trolleys and wheels are designed for compatibility and manufactured from materials that assure long-life. The overhead conveyor can be supplied assembled on various pitches, or in individual components, such as wheels, trolley arms, bare chain or connection links. Combine all that with competitive prices and you get the performance you need at a price you can afford.

## THE OVERHEAD COMPONENTS ARE AVAILABLE FOR:

- ▶ Nuova and Nu-Tech EV systems
- ▶ Pack lines
- ▶ ACM-MX cut up systems
- ▶ FHF-XB front half deboning systems
