

BLADES

PRODUCT HIGHLIGHTS

- ▶ Excellent quality
- ▶ High durability
- ▶ Option to resharpen knives

PRODUCT DESCRIPTION

Hill's broad line of OEM quality blades consists of many shapes and sizes for a wide array of applications. These include circular blades, vent blades, straight blades, razors, bandsaw blades and toothed blades for packagers. In addition to the many blades made in our own factory, Hill Parts is a leading distributor of American made Hyde™ circular knives.

THE BLADES PORTFOLIO INCLUDES:

- ▶ Circular blades
- ▶ Vent blades
- ▶ Straight blades
- ▶ Razors
- ▶ Band saw blades
- ▶ Toothed blades for packagers
