

# SHACKLES

## PRODUCT HIGHLIGHTS

- ▶ Improved yield
- ▶ Reduced downgrades
- ▶ Lower labor costs

## PRODUCT DESCRIPTION

The unique combination of technology, craftsmanship and superior engineering makes the Hill Parts shackles some of the most consistent and durable parts available in the industry today. This results in smooth operation, longer life and improved yields and thus a consistent improvement of your bottom line.

## THE SHACKLES PORTFOLIO INCLUDES:

- ▶ ExactForm™ shackles
